Dr. Llewellyn Peyton, Veterinarian

Your cattle herd health is important. Healthy cattle are more productive and yield higher profits. They should receive their annual doctor examination just as people, said **Dr. L. C. Peyton of Tri-County Veterinarian, Bay Spring, MS.** Beef Cattle farmers should make plans to join in with other local herdsman to experience the wisdom and knowledge of Dr. Peyton's forty-seven years of fieldwork, as he does examinations and administer vaccinations. The gathering will take place **Saturday, June 25th, 8 a.m.,** at **Mississippi Minority Farmers Alliance's Demonstration Farm site, 30003 Shepherd Dr. Okolona, MS 38860.** You must **dress for the field visit and bring your lawn chair.**

For more information and to register, call **Carolyn Jones at 622-213-2433** or **contact Allen McReynolds at 601-513-4503.**

**YOU MUST DRESS
