Presents
North Mississippi
Small Farmers Field
Day

PLACE:
Chris & Carolyn Jones Farm
32466 Hwy 45, Alt
Okolona, MS 38860

DATE:
May 13, 2014

TIME:
9:30 a.m.

North Mississippi Small Farmers Field Day will highlight Chris & Carolyn Jones' efforts in developing a sustainable farm operation through assistance from Natural Resources Conservation Service and Farm Service Agency. They have employed numerous conservation practices through NRCS to enhance profitability and preserve the natural resources.

The Jones donated a portion of land to be used by the MMFA Youth Department in an effort to increase awareness of farming and healthy eating within the community. The youth will employ several planting methods to raise vegetables and fruit with the assistance of Mississippi State Extension Service and MMFA veteran gardeners.
